EXPRESSING SUPPORT TO THE METRO MANILA GREENPRINT VISION 2030 AS PHASE 1, AND TO PROCEED WITH THE STRUCTURAL PLAN AS PHASE 2, IN CRAFTING THE TWO-DECADE PLAN FOR IMPROVING METRO MANILA'S ECONOMIC COMPETITIVENESS, ADVANCE SOCIAL INCLUSIVITY AND LIVABILITY, AND REDUCE VULNERABILITY TO NATURAL DISASTER & CLIMATE CHANGE IMPACTS IN THE MEROPOLIS.

WHEREAS, the Metro Manila Greenprint 2030 is an initiative of the Metropolitan Development Authority as lead agency, pursuant to its mandate to conduct development planning for the metropolis which includes the preparation of medium and long-term development plans, in tandem with the World Bank, AusAID and Cities Alliance (for Phase 1 of the project).

WHEREAS, the Metro Manila Greenprint 2030 will be the first structural plan linking all sixteen (16) cities and one (1) municipality comprising Metro Manila now, and the expanded Mega Manila to include the adjacent cities of Region III (Central Luzon) and Region IV-A (Calabarzon) – under a COMMON VISION, and providing a ROADMAP for achieving this Vision by 2030.

WHEREAS, the Metro Manila Greenprint Vision 2030 will produce a Metro Manila that is one of the frontrunner metropolitan areas in the Asia-Pacific Region -- one that is green, connected, resilient, and socially inclusive; one that is a safe, clean and attractive place to live and work for residents from all sectors in the society; and one that is globally competitive offering great MICE (meetings, incentives, conventions, and entertainment), shopping & lifestyle attractions and business investment opportunities.

WHEREAS, the Metro Manila Greenprint 2030 is a both a process and as a structure: as a PROCESS, it brings together stakeholders across all sectors from the local government, national government agencies, the private sector, the academe, and the civil society organizations to discuss Metro Manila’s urban challenges (e.g. transport networks, congestion, housing, waste management and natural disasters), building on strengths and opportunities of cities, to actively provide strategic inputs towards the realization of the VISION; and as a STRUCTURE, the Greenprint comes out as a roadmap for 2030 that serves as a strategic framework to help policy-makers, planners

and implementers ensure implementation, monitoring and evaluation to achieve the Metro Manila Vision by 2030.

WHEREAS, the Metro Manila Greenprint 2030 process has two phases:

Phase 1 (March 2012 – November 2012) consists of stakeholder engagements, knowledge sharing and consultations with the Metro Manila Mayors, national government agencies, civic organizations and associations, the private sector, civil societies, urban poor NGOs, urban planning professionals and academia. From here, a WORKING VISION was drafted and initial support for this initiative which cuts across all sectors were established.

Phase 2 (December 2012 – December 2013) is when the Greenprint comprehensive STRUCTURAL PLAN will be formulated, documented and presented to stakeholders, as an output.

WHEREAS, as we near the end of Phase 1 (VISION), a document is presented to the Council introducing the Vision for the Metro Manila Greenprint, through two complementary thematic areas: the first thematic area is focused on seizing economic opportunities to improve livelihoods in Metro Manila; and the second is focused around large-scale green city-building that will lead to an inclusive, connected, resilient and investment-conducive metropolis.

NOW, THEREFORE, be it resolved as it is hereby resolved by the Council in session assembled, favorably endorses the Metro Manila Greenprint Vision 2030 (Phase 1), ushering in the preparatory works to proceed with the Phase 2 (Structural Plan) of the GreenPrint 2030 Project.

This Resolution shall take effect upon approval.

APPROVED and CONFIRMED this 15th day of November 2012, at the City of Manila, Metro Manila, Philippines.

ATTY. FRANCIS N. TOLENTINO
Chairman
